

## 1. General

Name Aleš Kvasnička  
Birth 16.01.1996, Ostrava, Czechia  
Contact [ales.kvasnicka01@upol.cz](mailto:ales.kvasnicka01@upol.cz), [kvasnicka.ales1@gmail.com](mailto:kvasnicka.ales1@gmail.com)  
ORCID / LinkedIn (0000-0001-5973-316X) / [LinkedIn](#)  
Web [www.massspec.group](http://www.massspec.group)

## 2. Education

2020 – present Medical Chemistry and Clinical Biochemistry (Ph.D.), Faculty of Medicine, Palacký University, Olomouc  
2018 – 2020 Biochemistry (MSc.), Faculty of Science, Palacký University, Olomouc

## 3. Work and foreign experience

Researcher on grants (09/2020 – present):

- Start-Up Internal Grant of the University Hospital Olomouc (SUG) 2021/2022 (researcher)
- Ministry of health of Czech Rep.: AZV ČR NU22-08-00148, AZV ČR NU20-08-00367 (researcher)
- Doctoral Study Grant UP - DSGC-2021-0098 (one of the submitting researchers)

Visiting Researcher at (more info [here](#)):

- Institute of Pharmaceutical Sciences, University of Tübingen, Germany, (09/2019-02/2020)
- Dept. of Systems Biology, Tokyo University of Agriculture and Technology, Japan, (07-08/2022)
- Section of Neuropathology Research, Oslo University Hospital, Oslo, Norway, (05-06/2023)

## 4. Conferences

- Active participation in 9 international (4 talks and 5 posters) conferences (such as Metabolomics 2022, GRC Metabolomics 2023, EpiLipidNET meetings, ...) and 9 national (7 talks and 2 posters) conferences.
- Two best talks awards and one best poster award from national conferences. More info can be found [here](#).

## 5. Publications and awards

- 8 peer-reviewed publications in international IF journals (2x 1<sup>st</sup> author), 1 publication in national peer-reviewed journal (1<sup>st</sup> author), 1 conference paper published as a book chapter.
- H-index: 4 (30 citations) according to [Google Scholar](#)
- Awards of the Palacký University: Dean's Award of the Faculty of Science (1<sup>st</sup> and 3<sup>rd</sup> place in 2018 and 2020), Rector's Prize (1<sup>st</sup> in 2021) and Dean's Award of the Faculty of Medicine (2022). Best publication award of the Czech Society of Clinical Biochemistry (2021). Travel award for the 3<sup>rd</sup> EpiLipidNET meeting.

## 6. Teaching

- Lecturer of seminars and laboratory exercises: Medical Chemistry (Faculty of Medicine, Palacký University) and Statistics (Faculty of Science, Palacký University).
- Supervisor of 3 master and 3 bachelor students of which 2 already successfully defended their thesis.

## 7. Membership in societies and other scientific communities

Young Researchers and Innovators Committee  
(Core member since 03/2023)

Working Group: Promotion & Publications  
(Core member since 10/2022)

- Member of the: Metabolomics Society (2022), International Lipidomics Society (2023), Czech Society for Mass Spectrometry (2019), Czech Society of Clinical Biochemistry (2023).
